Experience

Rab Equip Technologies — **October 2024-present**
Denver, CO
Retail associate and part of the repair and maintenance team. Greeting customers and directing experience based on technical gear needs. Repairing items to ensure longevity of gear. Making connections with customers based on interests.

Peak Physical Therapy and Wellness — **November 2024-April 2025**
Denver, CO and Westminster, CO
Physical Therapist Assistant, PTA
Following a plan of care established by the physical therapist in an outpatient clinic providing manual techniques when needed. Working with a range of diagnoses from orthopedic post-operative to Parkinson's. Familiar with WebPT and InsightGO EMR systems. Provide documentation in a timely manner and communicate with PT's verbally and via email based on patient needs. Creating and adjusting HEP's.

Old Barrel Tea Company — **March 2023-November 2024**
Denver, CO and Boulder, CO
Store Manager
Hiring, training and terminating employees as needed. Writing schedules bi-weekly and making bank and supply runs weekly or as needed. Inventory tracking and ordering along with upkeep of store displays and overall cleanliness. Connect with local artists to carry their items in the shops. Point of contact for donations, shipping, and wholesale accounts. On call for staff at either location. Floor shifts alongside staff, educating customers on different tea types and health benefits. Plan and take part in marketing events, smaller tea tastings and larger market/fair events. Hold monthly staff meetings in person and support staff as needed.

Cornerstone Christian Counseling — **June 2020-April 2023**
Lakewood, CO
Medicaid Specialist, Lead Ongoing Care Coordinator, Intake Care Coordinator
Answered calls and emails of clients reaching out inquiring about getting scheduled. Answered all questions, gathered needed information and used knowledge of staff's specialties to offer the best fit of a counselor. Led the ongoing care team, made sure clients and counselors on the team were receiving all the help and support they needed. Being a remote position, was able to communicate through chats, emails and phone calls with office staff and clinicians in a succinct manner. Monitored current clients' Medicaid eligibility. Used HCPF website to verify clients Medicaid benefits ensuring they were with the RAE we were paneled with. Provided resources when clients reached out where not within the same RAE.

Mountain Valley Therapy **April 2018-April 2020**
La Grande, OR
Physical Therapist Assistant
Followed plan of care established by physical therapist using modalities and manual therapy to reduce pain, improve mobility and increase strength in patients. Provided take home exercises and spent time with patients each visit doing exercises needed for either strengthening or stretching. Provided written documentation on each patient and tasks performed as well as subjective and objective information.

LMT- Licensed Massage Therapist **February 2015 - April 2018**
Lakewood and Littleton, CO
Worked in a day spa, chiropractor's office and health clinic. Provided mostly Swedish, trigger point massage and myofascial release. Completed Craniosacral Therapy I through John Upledger Institute. Paid attention to details the client spoke of and followed precautions with any contraindications when needed. Kept track of scheduling and following up with clients when needed.

RPS- Protected Species Observer **September 2012 - July 2014**
Gulf of Mexico
Mitigated use of airgun arrays conducting seismic research. Lived on board research vessels for seven weeks. Completed BOSIET training. Documented sea state, weather, and visual sightings every twenty minutes. Helped put together monthly reports to be emailed back to our headquarters. Educated any maritime crew on the importance to mitigate using airgun array when sperm whales were within a 500 meter radius and following all environmental regulations and policies. Completed one contract using Passive Acoustic Monitoring (PAM) to mitigate once daylight watch ended.
